The Motto of Trinity College

The choice of motto “*Courage and Courtesy*” indicates clearly the aims of the College.

The original suggestion was ‘*Be ye Courteous*’ as it was felt that courtesy sums up in a word most Christian virtues. However, it was pointed out that to practise courtesy in these modern times requires courage; therefore, the motto became ‘*Courage and Courtesy*’.

Peter Helps, 1960

Worship

Each day begins and ends with prayer.

There are four special services:

- i. Joint Carol Service with Bishop Anstey High School – last week of Michaelmas Term (Term 1)
- ii. Annual Anniversary Service – January in Lent Term (Term 2)
- iii. Eucharist celebration during the week following Trinity Sunday in Whitsun Term (Term 3)
- iv. Valedictory Service for Fifth- and Upper Sixth Form students.
The entire school body attends these services.

House System

The College is divided into four houses:

1. Anstey House (Yellow)
2. Gordon House (Red)
3. Helps House (Green)
4. Rawle House (Blue)

Supervision

The various aspects of the day-to-day life of the students at the college are supervised by a Dean. Parents/guardians may meet the Dean responsible for their sons/wards/daughters by making an appointment.

Term Reports

Mid- Term: An assessment of the student's work is usually made mid-term. Students' grades as well as teacher comments are given in the Report Card. Parents/guardians are required to sign this report and ensure its return to the appropriate Form Teachers.

End of

Term: Reports are issued at the end of each term. Parents/guardians who do not receive reports should get in touch with the Dean or the Principal.

Finance

Since Trinity College is an assisted secondary school, there are no fees. The Government gives financial assistance. The Parent-Teacher Association and other benefactors provide the rest of the money needed to run the College. Parents/Guardians are therefore asked to note that they have a financial obligation to fulfil if the school is to operate successfully. Running costs are high and if our vision for quality education is to be achieved, general regular contributions by parents/guardians are an absolute necessity. The Parent/Teacher Association now requires each parent/ guardian to make an annual contribution towards the operating costs.

Donations

The College is always willing to accept other donations or covenants for any general or particular purpose in connection with the school's welfare. Trinity College is a registered Charity with the Board of Inland Revenue.

HISTORY

Trinity College was founded as a private secondary school in January 1958 at Melbourne Street in Port of Spain. It was established through the efforts of the Very Revd. Benjamin Vaughn, then Dean of the Cathedral of the Holy Trinity, and the Anglican Diocese in order to provide a solid secondary education for boys. Trinity College was established by Act No. 19 of 1964; it is the only school in Trinidad established by an Act of Parliament.

In January 1959, upon application, the college became a government-assisted secondary school and thus a public secondary school. Students are admitted either on the basis of the Secondary Entrance Assessment (SEA) or transfer tests and/or other criteria with the approval of the Ministry of Education. From September 1987, girls have been admitted into the Sixth Form.

Through the generosity of the Gordon Grant Estates Limited, the College obtained a long-term lease of approximately 22 acres at Moka and started to develop a new campus with the intention of creating a boarding school. The Government did not approve this change, so the College has remained a regular day school since moving to Moka.

The Governing Body of Trinity College, chaired by the Dean of the Holy Trinity Cathedral, and the Ministry of Education share responsibility for the College. A Board of Management appointed by the Governing Body of Trinity College with the approval of the Bishop of the Diocese monitors the development and growth of the school. The Bishop has the authority of the post of Visitor.

The Teaching Service Commission appoints the teaching staff after recommendations by the Board of Management,

Funding is provided mainly through grants from the Ministry of Education. Donations and fund raising projects organized by the PTA, the College and the Alumni Association supplement these grants.

The Governing Body of Trinity College, the staff and the Parent/Teacher Association, with the government's assistance, strive to create and maintain conditions under which each student can achieve his/ her best in all areas of endeavour with courage and courtesy. The rules of the College provide a minimum standard of behaviour to which each student must adhere if this goal is to be realized.
